Docket Number: E-01345A-16-0036

Docket Position: Against

Based on the continued earnings (in the millions) it does not appear that APS is in need of a rate increase. Be advised that many of your constituents and APS,s customers either work for the state, or are retired from the state and have not received a pay increase for several years. A rate increase will certainly place an additional financial burden on them. Please give us consideration in making your recommendation re the request for rate increase. Thank You Floyd E. Henderson
